"I'm a sweet, innocent little hottie. It's hard to stay faithful."

LENA LI Our cover girl majored in psychology because she wants "to help people and influence them in a positive way. Besides," she adds, "I like to play with people's minds." Two beats. "OK, just kidding!" Vital stats: 5'6", 119 lbs., 38DD-23-35. Mizuno, 1, 4, 5.

GENEVIEVE MICHELLE Her personality isn't much different now from when she was a teenager—happy, social and active—except she eventually outgrew her "expression" phase. "Back then I got pierced and wore vintage clothes, leather and heavy black eyeliner. It seemed like a good idea at the time!" Bo Hitchcock, 6-7, 8, 9.

SOPHAT VAN A makeup artist, dancer and aspiring recording artist, Sophat has been heavily influenced by her Thai heritage and she still studies and performs her native ballet. Offstage, she enjoys reading and exercise and describes herself as a "sweet, innocent little hottie" who wishes she could regulate her sex drive because "it's hard to stay faithful." Vital stats: 5'1", 101 lbs., 32B-23-33. Byron Newman, 10, 11.

LIZETTE BORDEAUX Men, she thinks, are baffled by women's need to talk about problems. "Guys feel compelled to fix things, not talk about them. But you can't repair a lousy relationship with a screwdriver!" Vital stats: 5'3", 105 lbs., 32D-22-32. Andy Chabot, 12, 13.

DIANA THAI She doesn't admit to any date mistakes. "Guys keep coming back, so I must be doing something right!" Vital stats: 5'1", 98 lbs., 32B-23-33. Mizuno, 14, 15, 16, 17.

PUALEI MILLARE Growing up in Hawaii, this French-Filipino mix took full advantage of the pleasures of paradise. Surrounded by exotic animals and tropical lakes, she regularly fished, swam, surfed, sunbathed and "played in the mud with the boys." The influence of an artistic family led her into acting and fashion, and she'd be happy if she makes a big splash in either field. Vital stats: 5'7", 120 lbs., 36C-24-36. Gen Nishino, 18, 19.

CHARLEEN SANTAYANA This spectacular blend of Filipino and Spanish blood spent her childhood in Manila before moving to New York with her family. Even as a kid she loved clothes, so she steered herself into fashion marketing and dreams of one day opening her own chain of boutiques. Vital stats: 5'2", 100 lbs., 34C-24-34. Gen Nishino, 20, 21.

CHERYL WHITE Born in the Philippines and schooled in south Florida, Cheryl graduated with a degree in criminal justice and a minor in political science. "I thought I wanted to continue on to law school—until I actually worked for an attorney!" Now she's a kick-boxing instructor who enjoys target shooting and rock climbing. Ric Moore, 22-23, 24-25.

GRACE DELA ROSA As a "people person," Grace is discouraged that some men are intimidated by her looks: "Men should realize that not all beautiful women are shallow snobs." She suggests a polite, well-mannered approach. Unwelcome admirers include those who regularly use untimely sarcasm, have dirty fingernails or who think "tennis shoes can pass for formalwear." Jarmo Pohjaniemi, 26, 27.

ANGEL ANDERSON The perfect match for this Japanese-German-Swedish mix? "A good-looking guy who wears a barely-there cologne and believes in God." Vital stats: 5'6", 110 lbs., 34-22-33. Andrew Goldman, 28, 29, 30-31, 32, 33.

MINNIE GUPTA Although she's a Mensa candidate, Minnie doesn't advertise her smarts. In fact, if anything, she'd "like to be a little louder and more assertive." In 10 years she intends to be raising a family, running an animal shelter and writing novels based on her childhood. Vital stats: 5'6", 105 lbs., 36D-24-34. Gen Nishino, 34, 35.

NATASHA MAJORS Turnoffs? "Stupidity and ugliness." Turn-ons? "Hair—facial, leg or chest." Wheels? Inlaid G20. Dream machine? BMW truck. Jarmo Pohjaniemi, 38, 37.

KRISTINE ENRILE She says she's often mistaken for Hawaiian or Thai, but she's 100 percent Filipina. She considers herself something of a daredevil, having taken up snorkeling, surfing and parasailing. Tamer pastimes include shopping and playing with her two dogs, but challenging sports are never far from her mind. Next up: sky diving. Vital stats: 5'1", 100 lbs., 34A-26-34. Byron Newman, 38, 39, 40-41.

"You can't use a screwdriver to repair a lousy relationship!"

"Men should realize that not all beautiful women are shallow snobs."

"Maybe I had too much champagne—or not enough!"

PENNY PHANG Although well within acceptable height/weight limits (5'4", 106 lbs.), Penny—a native of Malaysia—confesses, "I eat so much I scare myself!" Mizuno, 42, 43.

JULIANNA PINHEIRO At 13, she and her family moved from Brazil and settled in California. She was "a shy little girl who liked to dream about her Prince Charming." The guy who finds her glass slipper must be a "good kisser—and great in bed!" Mizuno, 44-45, 46-47.

SAN SAN After emigrating from Vietnam, San San and her family set about turning their personal nightmare into the American Dream. Although she adapted quickly to the freedoms she found here, she considered herself a loner. Today she's eager to have fun, but she retains a certain reserve, which is reflected in her motto: "Depend on no one but yourself—ever!" Vital stats: 5'5", 115 lbs., 32C-24-34. Jarmo Pohjaniemi, 48, 49.

YUNIA SOLOMAN This Kenyan-born Londoner boasts she has a "degree in love-making." Postgraduate plans include "having a picnic in the park and making love in public," so she never goes anywhere without packing her school bag with a generous supply of "jelly beans and K-Y jelly." Byron Newman, 3, 50-51, 52-53, 54-55.

SUSIE LEE Thai by birth, British by choice, this UK import hates the baggy-jeans look. Dress codes aren't an issue at the seashore, however, because she's totally OK with "walking naked on a hot beach." Vital stats: 5'6", 115 lbs., 32A-24-34. Byron Newman, 56, 57.

LESHELLE VALENTINE Don't ask her to hit the courts or the links—this Texan is not a sports person. Her coordination clicks in the kitchen, though, where Cajun cooking is her specialty. Vital stats: 5'6", 120 lbs., 34D-25-34. Ric Moore, 58, 59.

MICHELLE LIN Although admittedly in love with Angelina Jolie—"I wrote my USC admission essay on her"—Michelle is keeping her dating options open. She likes guys who are "ambitious, charismatic and sincere" and who love animals and children. A perfect date? "Send me a beautiful dress and a note telling me what time you're picking me up, then show up with a sterling-silver rose. Anything after that would be gravy!" Amy Freytag, 60-61, 62, 63, 64-65.

VIVICA PRINCE New Year's resolutions are made to be broken, but what was Vivica thinking when she resolved to swear off sex until she married? "Maybe I had too much champagne—or not enough!" Vital stats: 5'7", 121 lbs., 34DD-24-34. Jarmo Pohjaniemi, 66, 67.

JASMINE YADAVE Born in England of Indian parents, Jasmine evolved from a "cute and lovable" kid to an "exotic and sexy" woman. She's searching for a guy with "that X factor—something special, but I'm not sure what it is" to light her fire. Immediate elimination faces those who "continually use their cell phones" or men with "bad breath or dodgy teeth." Vital stats: 5'3", 102 lbs., 32C-23-32. Byron Newman, 68-69, 70-71.

KALLA YU Having learned Mandarin as a child in Taiwan, this computer science major would like to add Japanese and Korean to her language résumé. Mizuno, 72, 73.

GLEICY SANTOS Romance and sensuality will fly, machismo will not. "Never treat me like a trophy girl! I want a guy who helps me achieve my goals." Jarmo Pohjaniemi, 74-75, 76, 77.

CHRISTINE NGUYEN She likes a man who's "conservative at work, playful at home and aggressive in bed." Pretty boys "who take longer to get ready to go than I do" pamper themselves out of romantic contention. Vital stats: 5'4", 106 lbs., 34C-24-34. Mizuno, 78, 79.

LISETTE NARVAEZ Her mom forced her to wear skirts when she was little, but that never stopped her "from playing sports and roughhousing with the boys." Getting down and dirty isn't her thing anymore—cooking, dancing and reading are. Vital stats: 5'4", 100 lbs., 34B-24-34. Jarmo Pohjaniemi, 80-81, 82-83.

MAI LIN Turn-ons in order of preference: "Brains, brains, brains, body." Byron Newman, 84-85.

TILA NGUYEN Her aesthetic side draws her to dance and music, but her adventurous side lures her toward extreme sports such as sky diving, surfing, skiing and scuba diving. What about her sexy side? "I think a woman is sexy when she has the looks of a Playmate and the personality of a tomboy. I hate girly girls!" David Rams, 86, 87, 88, 89, 90-91.

Y C'mon, you guys aren't fooling anyone! You had Jenny McCarthy cloned and named the double Amy Miller. The resemblance is remarkable, even in some of their wonderfully sexy facial expressions. Congratulations to both ladies—Jenny for PMOY and Amy for Model of the Year. ...K.G.

Y There is one SE model who has won her way into my heart with a single smile. She has the classic beauty of Marilyn Monroe and the oh-so-perfect body of Jayne Mansfield all rolled into one classy princess—BOL Model of the Year Amy Miller. Now let's take it one step further—please make Amy Miller a Playmate. ...J.R.

Y Many of us are indebted to Playboy for our first glimpse of a woman revealing herself, but how can natural young women possibly compare when they are faced with a false archetype built by Playboy's parade of implants? Not only are they glaringly obvious and unattractive, but they also distort a young man's sense of a woman's true beauty. Please stop encouraging the rush to implants by featuring models who have them, and return to honoring women's honest beauty. ...S.R.S.

Y 'Tis a country of extremes these days. Gentlemen are arguing about the covering of the prize—bald or bushy. Alas, the majority of U.S. males prefer a stylish trim, the scope of which should be decided by the lady and her lover. To suggest banning a babe due to bountiful bush or brazen baldness is simply unAmerican. Just appreciate the diversity and cherish what suits your fancy. ...G.T.

Y You've hit the proverbial jackpot with Leticia Marzolla in the most recent BOL. She is absolutely fabulous—a great smile, great body, great legs. Congratulations

Y I have been reading *Playboy* since I was old enough to convince someone to sell one to me. I am now 50, and the most recent issue of *Girlfriends* is the most erotic issue I have ever seen. One of the sexiest things in the world is two beautiful women kissing and the shots of Samantha and Georgina were truly incredible. Without question, your art directors are the best. Please, please keep up this outstanding erotic work. ...Bob

Y I am totally in love with Heather Christensen! I have always had a thing for red-heads, and I don't think you could have found one more beautiful than her. I just wish you would show more photos of her beautiful butt! There's nothing sexier than a woman's bare ass, and no woman sexier than Heather! ...K.M.

on discovering such a spectacularly beautiful woman. ...J.F.W.

Y What was I thinking? The south of France? Acapulco? Las Vegas? Ha! *Sexy College Girls* has convinced me to tag along with your uninhibited coeds—especially Katherine Hadorn and Arlene Lopez—whenever they go on their next spring break! ...T.N.

Y *Girls of Summer* is amazing, and I was pleased to see a few of my favorites—Joa Scott, Madison Marie and Sara Alvarado (from left to right). It was also good to see Jennifer Cantrell make the jump from *College Girls*. Any issues that feature these ladies is a gem. ...J.R.D.G.

SEXY SECONDS with...

What kind of guy turns you on? I like a man with attitude—who shows me what he wants but knows there is a time and place for everything. It's very important that he be sensitive, otherwise he'll never understand me.

How can a man make—and keep—you happy? Easy—I need a lot of attention and affection. He should call me and send me e-mails every day. I also love to receive cards, flowers, gifts and surprises—I think that's very romantic.

Describe your best date ever. I had dinner with some friends, and while I was holding my date's hand under the table, I gave him my panties. You should have seen his face as he tried to be serious during dinner! It was very spontaneous and sexy; I still can't believe I had the nerve to do that inside a famous NYC restaurant!

How should an average guy approach you? Just by being himself, being natural, engaging in polite conversation and by remembering that women enjoy receiving compliments. I can spot a phony guy right away, so if he's putting on some kind of act, it'll turn me totally off.
